*JR & Carrie were so helpful & positive with us, as we not only learned to dance, but they also implemented applicable biblical instruction into each of their lessons. We are thankful for this sweet couple!*

*I am so thankful that I heard of the event... It was a perfect date night... We got to meet other couples in our area who love the Lord, we had some yummy treats, we learned to dance together and learned about how God wants our relationship to work. It was fun and productive. It was extra special because you spoke to the husbands and Carrie spoke to the wives. I recommend it to all married couples.*
